PIEMONTE ROSATO DOC

What's in the bottle?

With the aromatic draw of fresh-cut watermelon, this rosato screams summertime in all its resplendent fun. Two stalwart grapes of Monferrato, Barbera and Dolcetto, form this lively rosato. Following a soft pressing of the grapes, the juice is left in contact with the skins for only a few hours, lending the wine its light pink hue.

Fun fact: Rosato accounts for a miniscule percentage of overall wine production in Piedmont, and 2021 marked just the fourth vintage of this Ercole bottling.
